

Report for the use of Sport Premium Grant
Academic Year 2022/2023
Allocated to Great Sampford Primary School

Will be spent on -

- Sports provision delivered by Premier Sport coaches
- All children receive two high quality PE sessions
- There are 4 'Turn up and Play' sessions weekly
- Allocation of time to PE specialist staff for supporting children with fine motor and gross motor skills
- Head of Dance from LVC deliver an hour a week dance sessions.
- Coaches (bus) provided for children to attend sporting events
- Installation of Golf course

Addition of SSCo with Saffron Walden County High school = £712

Premier Sport = £12,890

LVC = £1,125

Golf course = £358

Balance as at April 2023 £6,699

Impact

With the above provision the children were able to compete competitively by attending various events held by SSCo. The staff are up-skilled with new sports, equipment and up-to-date rules in various games with the lessons provided by Premier Sport. All children are included in the lunchtime provision and those less active are encouraged to take part in some capacity to further enhance their PE lessons.

Some of the children were able to be supported with their motor skills as laid out in their One Plans and various children were also challenged through more rules or expectations made within various games and activities.
