

# THE FRIDAY FLYER

## GREAT SAMPFORD PRIMARY SCHOOL

EDITION 1.25

21 JULY 2023

### Reis's Roundup...

A message from the Acting Head Teacher

We say goodbye to the Year 6 children today and we wish them all the best as they start their next journey into secondary school. We hope that all the lessons you have learnt at Sampford stay with you to be the excellent citizens we know you are. We sadly also say goodbye to Mrs Armstrong and Mrs Thorpe today and wish them both luck in the next stage of their journeys too.

On Tuesday we were treated to the wonderful production of Wind in the Willows (really a Queen tribute show) by Eagle class. Well done to all involved; Mr Laing for the arrangement, Miss Mitchell for scenery and Mrs Hale for the costumes.

On Thursday we were blessed with the sunshine and the children showed their talents. Thank you to Miss Swain for putting everything together and celebrating the music and dance in the school. We had dances, piano playing, drumming, singing and my favourite - 'The Minibeast Rave' from Robin class. It was a lovely ending to the school year. Thank you to all the families that came along to watch the event.

I would like to say the biggest thank you to all of the children, staff and governors for supporting me on the journey as Acting Head Teacher. I can not wait to start in September as Great Sampford's official Head Teacher and take the school on the next steps to success. I hope everybody has a fantastic summer and break.

We will see you back at school on Tuesday 4th September.

#### A message from Mrs Armstrong

I just wanted to say how much I have loved teaching at Great Sampford. I have taught for many years and this school has definitely been my favourite! It has been a privilege to work with your children. One of the reasons that I came into teaching was that I was fascinated by the learning process and I wanted to know how it happens; it seemed like magic. I still don't know entirely how it happens but I have loved being part of that magic. Thank you!
