GREAT SAMPFORD PRIMARY SCHOOL

EDITION 1.3

Reis's Roundup...

A message from the Acting Head Teacher

The staff have had an extremely busy day today with our training day. We have looked at the curriculum as a team and identified some fantastic work from the children as evidence in our subject folders. With the icy snap the children showed their resilience and adaptability whilst we worked out how to ensure there were no slipping and sliding accidents. I have had the privilege of working across the school again this week and the children's independence is growing with the work they produce. Well done to everyone. I wish you all a wonderful weekend.

The children brought home a picture of their house god or goddess this week. If they would like to take part please decorate them in any way, the brighter and more inventive the better. All children that take part will receive a point for their house total and the staff will decide on some winners. Please have all entries in school by 3rd February.

Activity Passport

Miss Swain introduced the children to an activity passport yesterday. The passport will stay with them in their time across the school and will enhance their experience and provide a memory of their time at Great Sampford. They include; jumping in muddy puddles, visit a zoo and collect money for a charity.

Breakfast Club

If you need to use the school's breakfast club please ensure that your child is booked in at least 24 hours in advance due to staffing. This can be done via ScoPay, for any more information please see the office.

The teaching staff have decided to return to face-to-face meetings. These will take place on Thursday 9th February between 2pm and 8pm. I will finalise all details next week and then you will be able to book appointments via ScoPay.
