

Pupil Premium Grant 2019/2020

The purpose of the **Pupil Premium Grant** (PPG) is to raise the achievement of disadvantaged pupils and diminish the difference between them and their peers. It can also be used to ensure that pupils are ready to learn.

As of September 2019, Great Sampford Primary School has 3 pupils in receipt of the PPG. The school is issued with £3820 to support these pupils. It will be spent accordingly:

- Target groups supported by Teaching Assistant with specific identified gaps being addressed.
- HLTA funded to lead class to release teachers in order to carry out interventions for specific purposes.
- Teaching Assistant funded to support children in receipt of PPG on 1:1 basis.
- Counselling offered to pupils as required.
- 'Workshop 4' delivered by children's counsellor for all support staff to aid their understanding of emotional regulation in order to support it effectively.

Each of the above expenditures exceed the amount allocated to us. However, as a school we are completely committed to supporting all pupils and ensuring that all pupils achieve. We therefore allocate from our delegated budget to fulfil the above package and diminish the difference.
