

SAMPFORD NEWS

AUTUMN 2

03/11/23

What's happening at Great Sampford?

A rather wet start to the new term but the children have been working hard as usual and with smiles on their faces. I have been carrying out even more tours this week for new families and the feedback I get from them is so positive and all thanks to the children's spirits and the staff's kindness, so thank you to everyone. Stay safe this weekend in the rain and floods.
