AUTUMN

20/10/23

What's happening at Great Sampford?

Well done to all of the children, staff and parents we got through the longest half term ever! I have been showing many new families around our school and yesterday was the icing on the cake. The family said the children all looked happy, there was a lovely feel to the school and how the work on display showed off the pride the children took in their lessons. Thank you to the whole school community for that feeling.
