AUTUMN

22/09/23

What's happening at Great Sampford?

The children have been working so hard this week, I think I may need to install a revolving door on my office with all the children that have come to see me. The Wall of Awesomeness is filling up and the children get a token too. When the token pot is full there will be a reward for the whole school. I have been out and about this week advertising the school so thank you to all families that have done the same.
