

Maths

In Maths we will be exploring money by practicing counting, adding and subtracting different values of pounds and pennies. We will be moving on to place value up to 50 identifying tens and ones and counting objects. We then start learning about multiplication and division.

Puffin

Cool Castles

English

This term we will be exploring our topic of castles by researching and writing our own castle descriptions. We will also be reading the fiction book 'The paper bag princess' and finally with be identifying key parts of non chronological reports to support us in writing our own report.

Discovery

We are learning all about castles this term, identifying what castles are, researching the different jobs in castles and who lives in castles. We will also be learning about the Battle of Hastings and William the Conqueror.

Computing

We will learning how to use a keyboard to write and change text to design a poster.

RE

This term we will be exploring Judaism and what Jewish people remember on Shabbat.

D&T

This term we we will be researching and designing parts of a castle using different materials.

Music

We will be exploring singing by learning different ways of singing songs, as a round and in parts.

PSHE

We will learn about how all families and homes are different and exploring planet protectors.

Maths

1. Research how many people worked and lived in a castle and compare with another castle. (Place value- counting and comparing).
2. Use/ draw 2D shapes to create a picture of a castle.
3. Look at and compare new money and old money (research old money- pounds and notes).

Homework

Cool Castles

English
