

Maths

In Maths we will be learning all about place value exploring our knowledge of numbers to explore different mathematical strategies for example to compare numbers. We will also practise our addition, subtraction and time tables.

Puffin

Nurturing Nurses

English

We will be reading some Oliver Jeffers books this half term including Stuck, Lost and Found, How to catch a star and the day the crayons quit to inspire our writing this half term. We will be focusing on our use on punctuation and spelling rules in our writing. We will write instructions using our new knowledge.

Discovery

We are learning about Florence Nightingale, Mary Seacole and Edith Cavell, three amazing nurses. We will be comparing the past and present.

Science

We will be learning about animals and humans and comparing similarities and differences.

Computing

We will learn how to use and navigate a computer safely.

RE

We will be exploring our 5 senses and discussing religious beliefs.

Art / D&T

We will be creating our own collages and learning how to use the colour wheel.

Music

We will be listening and creating rhythms to develop a piece of music ready to perform.

PSHE

We will learn about our feelings and how to express ourselves.

Maths

1. Find a recipe that includes your 5 a day and use a weighing scale to measure out each ingredient.
2. Make a weather chart and track the weather over 7 days. Can you predict tomorrow's weather? What is the temperature? How can you find out?
3. Design some playing cards with dots, pictures of objects, counters on tens frames and dice patterns. Play subitising snap with a family member.

Homework

Nurturing Nurses

English

1. Imagine you are Florence Nightingale or Mary Seacole working in an army hospital. Write a letter to the government asking for some help.
2. Pick a real animal to research with an adult. Draw pictures and write a description about what it looks like when it is young and when it is an adult.
3. Read a book to your favourite teddy and write a book review about it.

Topic

1. Think about the war hospitals which Florence Nightingale, Mary Seacole and Edith Cavell worked in. Draw pictures, write words and sentences to describe what they were like. Research hospitals today and draw or write about hospitals today.
2. Design and make a house for insects. What do you need to make a good home?
3. Write an exercise diary for one week and design your own workout.
