

SAMPFORD NEWS

SUMMER 1

10/05/24

What's happening at Great Sampford?

What a glorious week! The sun has been out, the picnic area is starting to take shape and a tree has been cut down to let in lots more light. Thank you to the Daniluc family for their help with the tree and the Suttons for their continued support in the garden area. Next week our Year 6 children take their SATs and we wish them all the luck and know they will make us proud with their effort and attitudes.

Kingfishers

Eliza, Annabelle, Lexi,
Charlotte J, Arthur and
Myla B

Word of the Week

nauseating
(adj. sickening or
disgusting)
