

SAMPFORD NEWS

SUMMER 2

07/06/24

What's happening at Great Sampford?

We have officially started the last term of the year. The picnic area is looking good and the children are enjoying eating there. The outside area is taking shape and with thanks to the lovely donations we are able to offer the children an even better experience at lunch. We have a busy term ahead of us so please keep an eye on the diary dates below. We are also starting to phase out Parent Hub in favor of Arbor so please make sure you have notifications on.

Please remember **class photos** on Wednesday 12th June.

Word of the Week

nauseating
(adj. sickening or disgusting)

Roads

You may have noticed they have been resurfacing the main road through Sampford. Please drive carefully and be advised that there are no road markings but they must still be adhered to.
