

SAMPFORD NEWS

SUMMER 2

21/06/24

What's happening at Great Sampford?

The sunshine has finally arrived! I am pleased to say the picnic area is now complete and the children have been enjoying eating their lunches there this week. The next project is the garden and sensory area. Thank you once again to the PTA for all of their support with it. We have quite a few events happening soon so please make sure you login to your Arbor account to check for any trip consent.
