Pupil Premium Policy

Updated: September 2024

Reviewed: September 2026

Aims

This policy aims:

- To provide all pupils with fair and equal opportunities to achieve and excel in all areas of the curriculum; using and applying the most effective pedagogy, supported by use of additional, delegated funding.
- To work in partnership with families and pupils eligible for pupil premium, to plan, monitor and evaluate support and intervention in order to secure individual progress and achievement.
- To work with external partners and organisations to provide additional support for the social, emotional, health and wellbeing of all pupils with potential barriers to learning and achievement.
- To ensure governors fulfil statutory responsibilities to make effective use of pupil premium funds in order to impact positively on pupils' achievement and attainment.

Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2024 - 2025\)](#), published by the Education and Skills Funding Agency. It is also based on guidance in documents published by the government: [Recovery Premium Funding](#) and [Using Pupil Premium: Guidance for school leaders](#).

Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

Use of the grant

We will publish information on the school's use of the pupil premium on the school website in line with the requirements set out in our funding agreement and the DfE's guidance on what academies should publish online.

Our pupil premium strategy is [available here along with pupil premium information from previous years](#). This strategy is the template published by the government and will be published on our website by 31st December each year enabling us to take the needs of our new intake into account. Spending decisions will be informed by a range of evidence as outlined in the conditions of the grant. It is recommended that this plan take a three year approach focusing on high quality teaching, targeted academic support and wider strategies. Where a three year approach is used, the strategy must be reviewed and an updated strategy published every academic year before 31st December.

Diagnostic assessment is crucial for understanding the specific elements of education that our children are finding challenging rather than performance in whole subjects and the [EEF diagnostic assessment](#) will be used to support this process.

In making decisions on the use of the Pupil Premium we will:

- Ensure that Pupil Premium funding is used primarily for its intended purpose.
- Use latest evidence based research on proven strategies which work to narrow the attainment gap and adapt these as necessary to meet the needs of our pupils.
- Be transparent in our reporting of how we have used the Pupil Premium, so that our parents, interested stakeholders and Ofsted are fully aware of how this additional resource has been used to make a difference.
- Encourage uptake of FSM by working proactively with our parents and carers in a sensitive and supportive manner to remove any stigma or potential barriers attached to claiming FSM. In doing so, we also recognise the vital role that parents and carers play in the lives of their children.
- Be mindful of the fact that eligibility and take up of FSM does not equate with pupils being considered to be of 'low ability' because of their social circumstances.
- Ensure there is regular monitoring and evaluation in place to account for the use of the Pupil Premium, by the school and governing body.
- Recognise the fact that FSM pupils are not an homogeneous group and cover a wide range of needs. As such the strategies we use to raise attainment will take these group and individual needs fully into account.
- Use high quality teaching and learning as the preferred way to narrow the gaps in attainment in the first instance. We will also use high quality interventions with proven evidence of impact to assist our pupils who need additional support in a time limited way.
- Use the Pupil Premium for all year groups not just those taking examinations at the end of the year.
- Be mindful that we can use the funding to support other pupils with identified needs such as having a social worker or act as a carer. We know from evidence across the English school system that using Pupil Premium funding to improve teaching quality is the most effective way to improve outcomes for disadvantaged pupils. By doing so, we will inevitably benefit non-eligible pupils as well.

Some examples of how the school may use the grant include, but are not limited to:

- Providing extra one-to-one or small-group support by either a teacher or TA. This creates smaller class sizes in some lessons for the whole class.
- Employing extra teaching assistants.
- Running catch-up sessions / 1:1 and small group tuition after school (for example, for children who need extra help with maths or English).
- Subsidising educational trips and music lessons.

Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception Class to Year 6.

Eligible pupils fall into the categories explained below:

Ever 6 free school meals

Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

Post-looked after children

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

Ever 6 service children

- Pupils with a parent serving in the regular armed forces.
- Pupils who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census.
- Pupils in receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces.

Pupil Premium Plus is funding to help improve the attainment of looked-after children and previously looked-after children. As with pupil premium it is not a personal budget for individual children.
