

Maths

In Maths this term we will be exploring how to describe positions, movements and turns to help us move a beebot around a map. We will also be practicing how to partition numbers and use tally charts and pictograms. As well as identifying and learning how to describe different 2D and 3D shapes. Lastly we will be strengthening our clock reading skills.

Puffin

Apples and Bowler Hats

English

This term we will be exploring the fiction story of Grandad's Island and writing our own version.
We will also be looking at nonsense poetry and attempting our own.

Discovery

In Geography we will be learning when you may need a compass and how to use it.

Science

In Science this term we will be looking at different materials.

Computing

This term we will be learning about how to group data.

RE

This term we will be identifying how. Celebration brings a community together.

Art / D&T

This term we will be exploring different surrealism artists.

Music

This term we will be learning to appreciate Music.

PSHE

This term we will be exploring and discussing diverse Britain.

Maths

1. Practice telling the time. What time did you wake up? Go to bed? What time is swimming? etc.
2. Go on a 2D and 3D shape hunt. What did you find? Write a list/ take pictures.
3. Plan a set of directions to get a sibling or adult to move around the room.

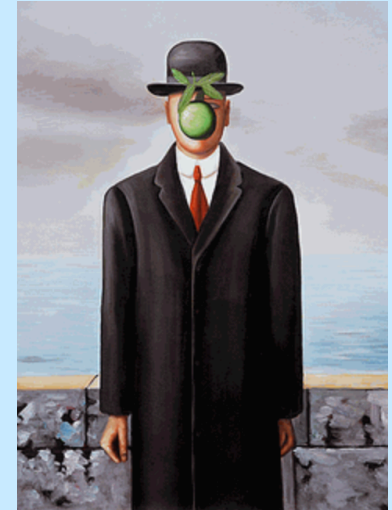

Homework

Apples and Bowler Hats

English

1. Write a list of instructions to make something.
2. Research a nonsense poem and write your own.
3. Look at Magritte's painting of a man in a bowler hat and write a story about the man in the picture. How did he get there? What is he doing? Where is

Topic

1. Draw a picture of a room in your house and label the different materials of objects in that room.
2. Explore surrealism artist and research one with an adults support.
3. Create poster with facts about Britain
