

## Maths

In our Maths lesson this half term we will cover:

- Counting in different steps
- Representing various numbers
- Finding more and less
- Comparing and ordering numbers
- Roman numerals
- Addition and subtraction

## Swift

### Awesome Egyptians

## English

We will be learning the Ancient Egyptian story of 'Isis and Osiris' and use this to write our own myths.

We will learn what is included in instruction writing and use this to help with writing 'How to Make a Mummy'.

## History

We will be learning about Ancient Egypt. We will be looking at the life and afterlife of people during Egyptian times. We will also learn about the Pharaohs of Egypt, mummification and the discovery of Tutankhamen's tomb.

## Science

Our science topic this half term is about skeletons. We will be looking at why some animals have skeletons and the function of our muscles and bones.

## Computing

We will be looking coding within the website Purple Mash.

## RE

We will be looking at how people express commitment to their religion and worldwide.

## Art / D&T

In art we will be looking at various Egyptian themed activities.

## Music

We will be learning the songs for the Harvest Festival.

## PSHE

We will be thinking about to remain positive and have a healthy mind.

## Maths

1. Find an Egyptian recipe (ancient or modern) and make it. Make sure you follow the instructions carefully and measure out the ingredients accurately.
2. Create a board game that tests your times tables.
3. Write five word problems about the Ancient Egyptians. (e.g. I have 563 bricks. 325 are used to build a pyramid. How many are left?)

## Homework

### Awesome Egyptians

## English

1. Write a secret message using Egyptian hieroglyphics.
2. Research a famous Egyptian Landmark (e.g. The Great Pyramid) and create a poster including the information you have found.
3. Make a fact sheet about an Egyptian god.

## Topic

1. Make a model of an Egyptian pyramid and include the important things you will take with you.
2. Draw an annotated map of Egypt including famous ancient landmarks.
3. Draw or create a model of a human skeleton. Label the bones with their names.
4. Virtually visit an Egyptian exhibition (<https://www.liverpoolmuseums.org.uk/virtual-tours/ancient-egypt-virtual-tour>) and draw some of your favourite artefacts. Can you write a description too?
