Autumn 1
03/10/25

I have had the pleasure of being away with Eagle class this week at their residential in Danbury. They have had lots of fun and laughter, pushed themselves to try new things, conquered fears and really bonded as a team. Once again we have been complemented by the instructors and I was even asked if we had a vacancy at the school! Have a lovely weekend.

Wraparound

Don't forget any child can book onto the wraparound provision. There is a sports session each day until 4:30.
