Spring 1  
09/01/26

Happy New Year! I hope you all managed to have a restful break and enjoyed spending time together as families. We started the week with a nice snowy bang. The children loved playing in the snow on Monday, and it was actually a nice way to start the term. As the cold weather is with us, please make sure the children have their coats, gloves, hats, etc to keep warm. Please take a moment to look at the school website for the new Topic maps for each class.

## Head Teacher Awards

Madeleine, Pearla,  
William, Myla S, Bonnie
