Spring 1
23/01/26

A massive well done to the children in Swift and Eagle class this week. They both attended the indoor athletics tournament with 8 other schools. We may not have won against the bigger schools but all of the children tried their best, did us proud and showed amazing confidence. Well done to Oliver M for having the second best javelin score from all of the schools. We are on a mission to create less food waste so please ensure your child likes the school dinners if they chose to have it.

Head Teacher Awards
