Spring 1
06/02/26

Thank you so much to Miss Herbert for organising a fantastic History Day this week. We had dancing and singing through the ages, Sampford's own Bayeux Tapestry, royal portraits and the history of the school. The family trees looked amazing and it has been so interesting listening to the children talk about them. With all of this rain recently the playground is rather muddy, so if the children would like to bring in wellies or a change of clothes for lunchtimes then they can.
