

Maths

Our focuses in maths will be:

Fractions – Equivalent fractions, ordering and comparing and addition and subtraction

Decimals

Measure with mass and capacity

Swift

Romans

English

We will look at 'warning tales' and write our own. We will develop our use of punctuation and our editing and improving skills.

We will write a diary entry for an exciting event.

In whole class reading our book will be 'Stig of the dump'

Discovery

Our topic this half term will be about the Romans. We will be looking at their invasion of Britain and how it impacted life in Britain.

Science

We will be learning about light and dark. We will learn about the different light sources around us and what shadows are.

Computing

We will designing and printing our own Roman coins using the 3D printer.

RE

We will be looking at what Muslims believe about God.

Art and Design

We will be looking at mosaics and how to make them.

Music

We will be continuing to develop our recorder skills with Miss Swain.

PSHE

We will be looking at money; where it comes from and how it is used.

Maths

1. Create a fractions poster to show what you have learnt. You could use a range of ways to represent your fractions (pizza, skittles, footballs, etc).
2. Find a Roman recipe to make. Practise carefully weighing out the different ingredients.
3. Go on a Roman numerals hunt. Where have you seen them? What number do they stand for?

Homework

Romans

English

1. Create a poster to advertise a Roman chariot race.
2. Imagine you are in the colosseum, Write a description of what it would be like. What can you see / hear / touch / smell?
3. Research a British Roman landmark and write a non-chronological report about it.

Topic

1. Build your own Roman fort. (No bigger than a shoebox).
2. Design and make your own Roman helmet, sword or shield.
3. Look up some famous latin quotes and translate them into English.
4. Create a mosaic of your favourite animal. What medium will you use? Paper, times, foam?
