

SAMPFORD NEWS

AUTUMN 2

08/11/24

What's happening at Great Sampford?

I have had the pleasure of showing around many new families in the past few of weeks and one thing that is always picked up is the politeness and happiness of the children around the school. I know I have said it before but I feel so privileged to work here with the fantastic pupils, families and staff we have. Reminder that Sunday is the last day to see the art work from the children in the Art Exhibition at the church in Finchingfield.
