

SAMPFORD NEWS

AUTUMN 2

29/11/24

What's happening at Great Sampford?

Winter is here! The children are being reminded that they must wear their coats outside so please support us with this. Christmas is nearly here and the children have been making cards, singing and rehearsing for the play. Eagle class will perform a play at the end of the year rather than taking part in the Christmas show. Miss Swain is on the look out for any old utensils that can be used in the Robin Mud Kitchen.
