

SAMPFORD NEWS

SPRING 2

21/03/25

What's happening at Great Sampford?

Well done to the Year 5s that represented the school in the Tiny School's competition this morning. Next week we are exposing the children to STEM (Science, Technology, Engineering and Mathematics), led by Mrs Murrell. The children will have some one off lessons linked to the theme 'Adaptation'. I would also like to invite all mums, grandmas, aunts (and dads) to enjoy a scone and a drink next Friday, please see the poster for more information.

Kingfishers

Marco, Willow, Louie,
Florence, Theodore,
Evie M, Violet and
Charlotte

Maths Word of the Week

hypotenuse
*The longest side in
a right-angled
triangle*
