

# SAMPFORD NEWS

SUMMER 1

25/04/25

## What's happening at Great Sampford?

I hope everyone had a fantastic Easter break. The children and staff have come back with the same great attitude and have stepped up to the challenges already.

A question, do you have any old fence posts or know a fencer that could help us out with some of the grounds? Please come and speak to me if you can. I am always looking for free things on Facebook Marketplace, so if you ever come across; gravel, pebbles, stones, pots, pans, most things really for the sensory garden then please think of us.

### PTA

Thank you to all the generous donations for the Challenge 2025. The PTA are always on the look out for volunteers and as a school we would not be able to give the children some of the opportunities without the PTA funding. So thank you to all the members!
