

SAMPFORD NEWS

SUMMER 2

27/06/25

What's happening at Great Sampford?

This week has simply been busy. Robin class went to the farm and Mrs Hale had an accident with a sheep, thankfully she is ok (as is the sheep), KS2 came 2nd in the Athletics this year, Swift class visited Kentwell Hall and then today we enjoyed our first transition day.

All teachers and TAs will be staying in the same classes next year and we welcome Mrs Gates to the school to work with Puffin Class in the new year. Please share the poster about the events on the 12th July.
