Dear Parents,

This week had one of my highlights of the year: meeting the new Robin children for next year. They were amazing and settled in so well.

I was also incredibly impressed with the children at the other end of the school, as Year 6 managed an entire multi-skills event for the younger classes. It was a tribute to them that none of the adults present had to intervene at all.

All in all, the resilience and independence shown, by both our youngest and oldest children, reminded me why this job is so rewarding.

Yours sincerely,  
Mr Laing

## Head Teacher Awards
