Autumn 1
02/10/26

by Miss Reis

Firstly I would like to apologise to those parents that picked their children up from school yesterday covered in mud. As you know we allow the children in the sensory garden at playtimes and it continues to be child led. Children are more than welcome to bring in some spare clothes and wellies to help out your washing machines. Please remember to bring in a coat each day as the weather gets colder as we like to get outside as much as possible. Have a nice weekend.

Litter Pick

Robin Class helped me yesterday collect all the litter around the school. They were amazing and worked well as a team too.

PTA AGM

Apologies the AGM is on the 19th October at the school. All parents are welcome.

English focus this term:

- Robin - Writing their names
- Puffin - Stories based on 'A squash and a squeeze'
- Swift - Paragraphs and headings
- Eagle - WW1 Poetry
