Autumn 1
09/10/26

by Miss Reis

A busy week for the children. Our representatives for the School council have been elected and held their first meeting too. The House (and Vice) Captains have been chosen and they will be given all of the children some motivation to win the most housepoints this year. We also had a very successful trip to the library bus yesterday and it was lovely seeing the children read around the school for the rest of the day.

The bus will be back so please make sure your child has their card safe.
